All peels also include a warm neck pillow. Our expert estheticians will perform a thorough analysis and recommend the best peel for your skin care needs.

ADVANCED CORRECTIVE PEEL | This new treatment is the deepest and most advanced peel that we offer. The Advanced Corrective Peel works in the lowest (basal) layer of the epidermis, where live tissue, pigmentation, and age spots dwell. The unique combination of ingredients slough off even the most stubborn pigmentation, delivers very predictable results, and is safe for all skin types. This will make you peel; expect up to 5-7 days of social downtime. 30 Minutes - **\$195**

MICROPEEL (SKIN SENSITIVE OR GLYCOLIC 20% / 30%) | This two-step procedure combines Dermaplaning (skin resurfacing), Skin Sensitive Solution Glycolic 20%/30% chemical peel solution, and post healing medical grade products. This peel yields instant gratification with no social downtime. 30 Minutes - **\$150**

MICROPEEL PLUS (SALICYLIC 20% OR 30%) | This treatment provides a unique one-step, self-neutralizing chemical exfoliation designed to reduce acne and help correct environmental skin damage. Formulated with a combination of salicylic acid to refine pores and help reduce the appearance of acne and glycolic acid to aid in the improvement of rough texture, blotchiness, and uneven skin tone. One week following, skin will undergo its renewal process where light to moderate peeling may occur for up to 3 days. This is a great treatment for active acne, cystic acne, and acne scarring. 30 Minutes - **\$150**

PEACEFUL PEEL | This treatment includes a Viva Express Facial with the addition of a glycolic or salicylic peel that is formulated with Mediterranean apple vinegar, apricot and peach extracts. This is the ultimate organic peel; highly recommended, safe and effective for all skin conditions. A blend of botanical stem cells, polypeptides, and antioxidant-rich plants correct the visible signs of aging, while essential vitamins, minerals and Omega-3 fatty acids replenish the skin's moisture and restore the youthful glow of healthy skin. 30 minutes - **\$125**
- **ORGANIC BLUEBERRY DETOX PEEL** | This naturally exfoliating peel deep cleanses pores and tones the skin, while safely detoxifying cells and boosting oxygen.
